Gas Engineers & White Goods

RHL, for 40 years, have been providing specialist recruitment solutions to the Gas industry within; Domestic (Social housing and private), Commercial and FM disciplines as well as the smart meter sector.

Our service extends to supplying to the white goods / field service sector with a team of specialist consultants working in this industry partnering with blue chip, multi-national and local clients.

We offer a full portfolio of recruitment services in order to source contract, interim and permanent individuals as well as offering bespoke services such as Executive Search, Contract Management, Payroll Services and Recruitment Advertising.

RHL partner with each client and build long term relationships to understand and meet their needs. Our approach is adaptable, since no two clients are the same. This flexibility allows us to adjust to evolving business realities faced by our clients.

Because our consultants specialise in specific areas we know the market in depth and are connected to the people currently employed in these sectors.

Through engagement with both passive and active candidates we are able to provide our clients with shortlists of qualified and competent people.

Supported by a number of offices, we are able to provide local and national coverage.

Roles we recruit for include:

- Gas Service & Breakdown Engineers
- Gas Installation Engineers
- Gas Supervisors
- Gas Contract Managers
- Gas Operations Managers
- Gas Schedulers / Administrators
- Smart Meter Fitters (Gas qualified)
- Gas Cooker Fitters
- White Goods Engineers
