Construction Materials Testing

RHL are industry leaders in the recruitment of Construction Materials Testing and Geotechnical personnel, throughout the UK.

We offer a full portfolio of recruitment services in order to source contract, interim and permanent individuals as well as offering bespoke services such as Executive Search, Contract Management, Payroll Services and Recruitment Advertising.

RHL partner with each client and build long term relationships to ensure we understand and meet their needs. Our approach is adaptable, since no two clients are the same. This flexibility allows us to adjust to the ever evolving business realities faced by our clients.

Because our consultants specialise in specific areas we know the market in depth and are connected to the people currently employed in these sectors.

Through engagement with both passive and active candidates we are able to provide our clients with shortlists of qualified and competent people.

Supported by a number of offices, we are able to provide local and national coverage.

Roles we recruit for include:

- Site Technicians
- Laboratory Technicians
- Geotechnical Engineers
- Structural Engineers
- Chemists
- Geologists
- Business Development Managers
- Estimators
- Reporting Engineers
- Laboratory Managers
- Project Engineers / Managers
- Contracts Managers
- Operations Managers
- Sales / Account Managers
