

A large blue banner is centered over a photograph of an oil drilling rig in a flat, open field. The rig is a tall, lattice-structured tower supported by cables, mounted on a green truck. The truck has "OVERSIZE LOAD" written on its side. The background shows a clear blue sky with light clouds and a flat horizon line.

# Unconventional Oil & Gas

RHL's Unconventional Oil & Gas division provides specialist staffing solutions to UK based and overseas multinational Clients within Unconventional Oil & Gas projects. Our Energy team has well established networks within the Shale Gas industry in the USA, Australia and UK. This experience covers environmental, engineering, commercial and site operations.

We offer a full portfolio of recruitment services in order to source contract, interim and permanent individuals as well as offering bespoke services such as Executive Search, Contract Management, Payroll Services and Recruitment Advertising.

RHL partner with each client and build long term relationships to ensure we understand and meet their needs. Our approach is adaptable, since no two clients are the same. This flexibility allows us to adjust to the ever evolving business realities faced by our clients.

Because our consultants specialise in specific areas we know the market in depth and are connected to the people currently employed in these sectors. Through engagement with both passive and active candidates we are able to provide our clients with shortlists of qualified and competent people.

Supported by a number of offices we are able to provide local, national and global campaigns.

## Roles we recruit for include:

- **Environmental**
- **Drilling**
- **Well Services**
- **Geologists**
- **Geophysicists**
- **Surveying**
- **Project Controls**
- **Project Management**
