Technical*

# Engineering & Technical

RHL, in its 40<sup>th</sup> year of operation, provides specialist recruitment services for the automotive industry across a range of disciplines including Design & Development, Manufacturing & Quality, Supply Chain and Software & Hardware.

We offer a full portfolio of recruitment services in order to source contract, interim and permanent individuals as well as offering bespoke services such as Executive Search, Contract Management, Payroll Services and Recruitment Advertising.

RHL partner with each client and build long term relationships to ensure we understand and meet their needs. Our approach is adaptable, since no two clients are the same. This flexibility allows us to adjust to the ever evolving business realities faced by our clients.

Through engagement with both passive and active candidates we are able to provide

our clients with shortlists of qualified and competent people.

Supported by a number of offices we are able to provide local, national and global campaigns.

## Disciplines we recruit for include:

- **Advanced Engineering**
- **CAE / FEA / CFD**
- **Calibration**
- **Controls / Systems**
- **Design / Development**
- **Emissions / Aftertreatment**
- **Hardware / Software**
- **Homologation / Certification**
