# Property

RHL have extensive experience within the global property industry, offering a range of services for major infrastructure and engineering projects.

We provide a full portfolio of recruitment services in order to source contract, interim and permanent individuals as well as providing bespoke services such as Executive Search, Contract Management, Payroll Services & Recruitment Advertising.

RHL partner with each client and build long term relationships to ensure we understand and meet their needs. Our approach is adaptable, since no two clients are the same. This flexibility allows us to adjust to the ever evolving business realities faced by our clients.

Because our consultants specialise in specific areas we know the market in depth and are connected to the people currently

employed in these sectors. Through engagement with both passive and active candidates we are able to provide our clients with shortlists of qualified and competent people.

Supported by a number of offices we are able to provide local, national and global campaigns.

## Roles we recruit for include:

- **Building Control**
- **Building Surveying**
- **Quantity Surveying**
- **Project Management**
- **Valuation Surveying**
- **Architecture**
- **Town Planning**
- **Urban Design / Master Planning**
- **Landscape Architecture**
- **Health & Safety**
- **Rural Surveying**
- **General Practice Surveying**
